I like you

Please  
go out  
with me.

This spring miracle  
of mine may sound  
a little strange now that  
I think about it

*Hibi Renren*

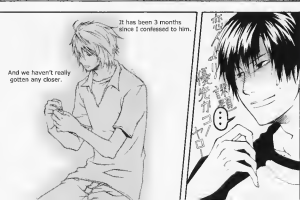

I think I might have  
made a mistake with this.

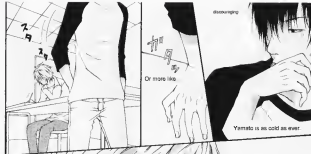

Okay

A man  
confessing  
to a man

Robot from the future!  
Please show me  
how to reach  
this guy's heart! \*

If he only said 'Yes  
out of play, there is  
no way we should be  
going out.

Is a man touching a  
man such a bad thing?

What kind of  
response is this  
face he  
makes?

\*He actually says "mizu ni bento robotto" which translates  
to "bento robot from the future"

Oh good

You're still  
here Arata

In reality  
you're  
disgusted  
aren't you?

huh?

Do you  
actually  
like me?

You  
uh...

This  
reaction

I really  
don't know

why you said  
Okay at that  
time

Uh um

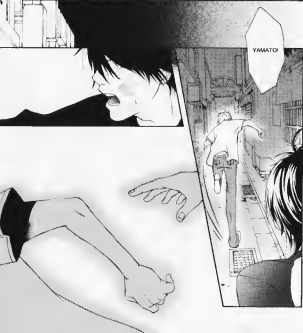

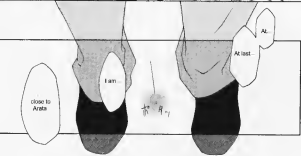

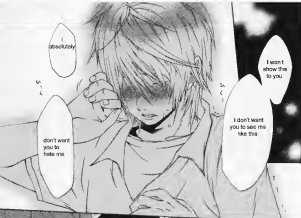

for his  
unbalanced behavior

Ah, I understand at last

mhm

Arata

Ha

This  
sort of  
me

Don't  
dislike it,  
okay?

Yamato

ha

Uh  
what a  
sexy  
face he  
makes

Does  
it feel  
good?

Aa

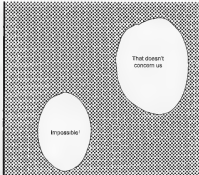

So you two

Late Night Delivery

And

he is  
also the  
person  
I like.

So where  
is today's  
package?

Sorry!  
I'll go get it  
right now!

Ah!

Rabbit  
Postal Service  
is here.

This time  
is precious  
because of  
him.

Sorry  
to bother  
you this  
late.

Ah,  
Sakaki-san,  
Good  
evening!

Thank  
you for  
your hard  
work!

明日の夜、また...

Ah...

You're  
working  
overtime  
again tonight?

He's the express  
company man who  
comes to my workplace  
every day to  
pick up packages.

This friendly,  
social man is  
Nishimura-san

You are gay?

This is kind of surprising

Sakaki-san,

I thought that getting rejected would put some distance between us.

But, there is no change in my attraction to him.

And yet I still wanted to

Let him know how I felt.

I like you...

I have a girlfriend

I'm sorry Sakaki-san

Either way...

It's just  
gyudon...

(gyudon is thinly  
sliced beef on rice)

So  
manly...

Wow...

Excuse me!  
Another  
gyudon set  
please!

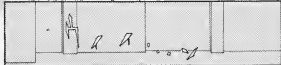

Sounds  
good.

Just give me a  
moment to  
change.

All 3  
of us  
together,  
okay?

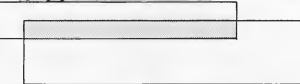

I'm sorry  
Miwa-san,  
I'll treat you!

Hey wait,  
Sakaki-kun!

Ha...

The faint scent  
of tobacco

Ha

And here I am doing something like this.

ha

Nn

Haa

Ha...

Nn...

I guess we can't be  
just friends after all.

Even though  
I brought him  
here...

(shower)

...and we're  
in the same  
room...

...I won't  
be able to  
touch him.

Nishimura-  
san's  
jacket...

About you.

...I was still troubled just as much.

I thought that I should keep my private life out of work.

And even though I acted as cheerful as possible...

We're both guys

after all.

Besides, Sakaki-san...

Hey.

Let's have an honest conversation about this, okay?

If you masturbate into someone's jacket then I think there is

Uh.

There isn't anything we need to talk about here.

Ever since that day,

I've been thinking a lot.

You know.

Whenever we talked you still looked happy to see me

Ah, what am I saying

I know you don't like me that way

But even so

Ever  
since I  
broke up with  
my girlfriend,

all I thought  
about was you!

Is that  
alone not  
good enough?

...

I think I could  
go out with you,  
Sakaki-san.

I might be  
gay.

Is that  
really okay?

Well  
honestly

I don't  
want to  
think about  
whether it's  
okay or not

Right?  
Who says I'm  
looking?

# 深夜2時の攻防戦

Late Night Struggle

I'm hanging up

Don't hang up, Miyata.

Hi Darling!\*

(\* he says that in English)

Ah, I'm sorry.

I was still up, working.

The first time I'm getting some sleep in three days and you call me in the middle of the night

Good grief.

So, what's up?

(Phone ringing)

...yes.

(phone rings)

I'll let  
myself  
in

I'll be  
there in 15  
minutes.

Okay

So make  
sure you  
have  
everything  
ready

Okay.

Hm?

Hey  
Miyata

Thank you,  
my hero.

Be a little  
more  
direct  
next time.

But  
I like  
talking  
to you on the  
phone.

And you  
couldn't  
just say  
that right  
away?

Ah.

Hahaha  
That is  
sexual  
harrasment,  
darling.

Then,  
your  
body  
belongs to  
me tonight.

Shut  
up

Idiot!

Besides,  
I didn't  
want to  
call just  
to ask for  
a favor.

Fine.  
I'll buy  
some  
onigiri  
on the  
way

I want all  
my desires  
to be  
fulfilled.

Anything  
else you  
want?

Sleep and  
sex come after  
the work is finished  
90.

Well,  
I suppose  
under these  
circumstances  
I have to  
come over

I love  
you from the  
bottom of my  
heart.

kiss

Idiot.

chuckle

...  
couldn't  
you let  
me sleep.

Darling?

If you  
really  
love me  
that  
much....

# 手 Hands

That's not  
it...

That gives  
you cold  
hands,  
you know!

I was surprised.  
It wasn't cold.  
It was something else.

It's  
different

The place  
he touched  
feels hot.

My wish for  
that was the  
reason for me  
to take  
this class.

I want  
to feel  
that  
hand so  
much more

Haha  
Guess  
so.

Ohh, you  
remember  
that?

Your  
birthday is  
in August,  
isn't it,  
Murakami?

My project is  
"The sake set  
to be used when  
one becomes  
an adult"...

Refreshing,  
cool weather  
is so good,  
isn't it?

Right!

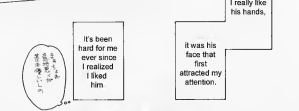

My hand  
was cold,  
wasn't it?

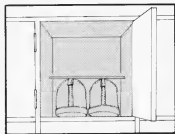

Ah!  
I'm  
sorry!

I was  
handling  
the clay  
until just now.

Then  
get to  
work!

Well if  
you picked  
the glaze

But I'm also not ready to have it end already.

...  
I'll feel more  
relieved!

Also, once  
you are done  
preparing the  
stand for  
your  
sake set,

... I'll  
finish it  
right now!

You're  
almost  
done,  
right?

Before long  
you will be  
a graduate!

Everyone  
is done with  
their art  
projects

And with  
that we'll  
be all  
done

Sensei is  
heartless.

Seeing off the  
graduates is  
the same  
every year.

Ah.

Are you  
sad,  
Sensei?

I'll just put it  
into my  
shoerack.

Yo!

I'm beat!  
I've been  
preparing for  
the final  
exhibition  
since  
morning.

I suppose  
it will be nice  
to see  
the students'  
work together  
in one room.

Well,

Mura-  
kami!

I guess  
I understand  
why they didn't  
write their name.

Do I want to accept my own feelings or not?

We gathered here for the exhibition as a final request from the teachers.

And it will be awarded a special price in the future.

My final pottery project was very popular.

Great, isn't it?

I wonder if you read my reply yet.

And you, sender of the letter

And then in the blink of an eye .

...the exhibition ended and only graduation was left

We welcomed the quietness of the art exhibition.

The hellish pre-graduation time was finally over.

Over here!

Mura-kami!

Yeah  
yeah

Hurry up!

To Muralidhara

This is...

There's  
something  
firm inside.  
It's...  
pottery?

Hey  
Tokuzou!

Listen up  
everyone!  
We'll be holding  
a graduation  
party!

No  
showing  
up late!  
I mean  
it!

Meet up  
at 1 p.m.  
at the  
coffee shop!

Graduation  
day

It's the last  
time all of us  
will be meeting  
up!

Come  
on!

Is it  
okay  
not to  
go?

What  
a  
pain.

A real  
pain...

You're  
going!

Congratulations  
on your graduation.  
And

Dear  
Murakami  
Tokuzou sama

You  
wrote  
that you  
already  
have  
a  
person  
you  
like,  
so

I was  
never  
able  
to tell  
you  
about my  
feelings  
in  
person

As long as you  
always  
remember that,  
I am happy

Just  
go on  
without  
me.

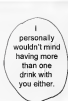

These three years I have spent with you

...for me they were three happy years

The Two of Them, Waiting for Spring

君ヲ、春待チ

And so it all came back to me

Chapter 10

Do you still like Mutsuki now?

Say, Tadano...

Huh?

All student council members are in grades at the student council room immediately!

itp eo

Let me have another.

Sure

That's too bad

totally

Oh come on!

I regret

You two don't fight.

I'll be going then.

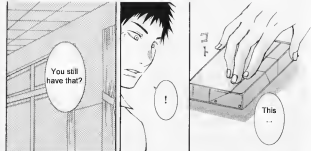

The confession was a shock  
to me because I liked him.

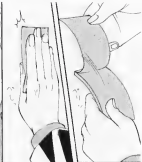

Did you only see her when you looked at me?

The note says "Banned for shameless behaviour within school"

It's kind of hard!

Small breasts or whatever

I saw you renting it.

...  
Makes no difference

You jerk off to AVs with girls with big tits.

with a  
guy  
after all!

Hahaha

It's alright

It's HOT!

あつあつ。

It's a pity but my AC is totally broken...

Can't... y- you turn on the ...AC?

It's... damn... ho- .hot.

Yes...

In the other room...

Then why... aren't you... getting it... fixed?

The fan... is ..

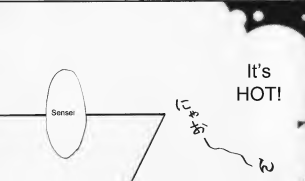

...open ...

Well, then window

Sensei ?

And somehow when I heard the sound of the wind chime, it felt like it was a little cooler already.

I used to sit on the veranda behind the mosquito net.

(nostalgic hum)

Must be about 20 years ago already.

Hm.

How long ago was that?

It's not only hot but also humid.

Hm?

I don't remember it being *this* hot and humid when I was young.

When night came.

Yeah,  
let's do  
that.

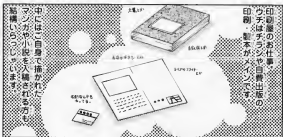

And thus is what happened on a certain hot summer night.
